

Got Bugs? Get Answers!

Ecology Action and OSH garden center staff
will help you find ecological solutions to your
pest management questions!

Sunday, June 10

10am-2pm

OSH, Salinas

Stop by our table in the garden center
and learn how to:

- Attract natural enemies of garden pests
 - Use less-toxic pesticides and organic fertilizers
- Select disease resistant plant varieties

FREE insect identification charts will be
given away during the event!

Event sponsored the City of Salinas, the Salinas Valley
Solid Waste Authority and a
B-WET grant from the National Oceanic and
Atmospheric Administration (NOAA)
